

Sydney Hair Follicle Testing

Legal & Workplace | Drug & Alcohol Testing

PRICE LIST AS AT MARCH 2021

For all enquiries and bookings please phone Vicki on 0410 659 670

Testing Notes:

For all tests, the cost covers the collection appointment in clinic, air freight, laboratory costs and a report of findings.

A Sectional Hair Test shows the 3-month detection window in 3, 1-month reports. **Please note, body hair is not able to be sectionally tested.**

We also offer workplace on site urine drug and alcohol testing. Due to the variance in testing options including number of staff to be tested, travel distance and specific tests required, we request that you contact Vicki on 0410 659 670 to discuss your specific testing needs and we can prepare a tailored quote for you.
